Safety Training for all of your Campus needs!

Are your faculty and students trained? Is your campus equipped with training supplies and AEDs? The Red Cross has the products and services you need.

**Give your students, faculty and staff the tools and skills needed to prepare for and respond to real emergencies.**

**Is your campus prepared?**

- **Responding to Emergencies (RTE):** A semester-long First Aid/CPR/AED course providing an integrated teaching approach that is customizable for your students needs.

- **First Aid/CPR/AED:** OSHA-compliant courses from the leader in First Aid training. Customizable courses in adult, pediatric and infant First Aid/CPR/AED for any audience.

- **Lifeguarding:** The gold in standard lifeguarding certification resulting in professional lifeguards who are trained to prevent and respond to aquatic emergencies.

- **CPR/AED for Professional Rescuers (CPRO): (for lifeguards and support staff throughout your campus) –** Training for professional-level rescuers to respond to breathing and cardiac emergencies in adults, children and infants.

- **Basic Life Support (BLS): (for campus hospital or medical center personnel) -** CPR/AED for healthcare providers to respond to breathing and cardiac emergencies in adults, children and infants

- **Lifesaving AED Program:** Lifesaving AED programs and assets for an investment in a safer workplace

- **First aid and emergency training supplies and merchandise.**

  All courses are updated with the latest science!
