Article I

The NIRSA student member in fulfilling professional obligations, shall:

1. Seek to extend public and student awareness of the profession and its achievements.

2. Strive for the highest in academic achievement.

3. Be true in writing, reporting and duplicating information and give proper credit to the contributions of others.

4. Encourage integrity by avoiding involvement or condoning activities which may degrade the Association, its members or any affiliate agency.

5. Perform dutifully the responsibilities of student membership and of any offices or assignments to which appointed or elected.

6. Encourage cooperation with other professional and student associations, educational institutions and agencies.

Article II

The NIRSA student member, in relations with other students and employers, shall:

1. Promote and supports the concept of equal opportunity in his/her dealings with other students, both in the profession and in the institution’s programs.

2. Refrain from exploiting individuals, institutions or agencies for personal and professional gain.

3. Secure the trust of employers and fellow students by maintaining, in confidence, privileged information until properly released.

4. Support the contributions of fellow students and employers by properly crediting their achievements.

5. Take advantage of opportunities for professional development when possible within the institution, the state, regionally and nationally.
Article III

1. Support the policies and procedures of the institutions and of supervisors, both student and professional.

2. Foster and encourage such values as sportsmanship, fair play and participation to further promote the ideals of recreational sports.
