Presentation Proposal Checklist – Research Session

Preparing to submit a proposal for an educational session at the 2020 NIRSA Annual Conference? Here’s a rundown of the information you will need to input into our online proposal system at nirsa.org/nirsa2020

To get started, enter a Program Proposal Title (Presentation Title – 150 characters)

- A creative title can entice an audience, but make sure people can get a sense of the topic

Then select, Research Session as the session type.

1. Presenter Information
   - Be prepared to list for the lead presenter and any co-presenters the following information:
     - Position, Institution, Qualifications & Presenter Experience, Educational Background, Years in the Field

2. Research Session Program Description
   - Program Description – A general overview of your proposal and why it should appeal to attendees
   - Outline / Activities – An outline of your session; how you will organize content, activities, and discussion
   - Short Summary (500 characters) – The summary that is shown in the event app & marketing materials

3. Core Competencies
   - Select up to 3 NIRSA Core Competencies reflected in your session
     - Choose from the NIRSA Core Competencies at https://nirsa.net/nirsa/core-competencies/

4. Knowledge Level
   - Choose only one from the following:
     - Foundational – Limited or no prior knowledge or experience of subject area is required of attendees
     - Practical – Some knowledge and experience in the subject area is required of attendees
     - Strategic – Significant expertise, knowledge, and experience in subject area is strongly recommended

5. Focus Areas
   - Indicate if your proposal is designed to connect with one of NIRSA 2020’s four focus areas

6. Additional Materials
   - To further assist the proposal review team, you can upload presentation slides or documents in this step

7. Presenter Agreement
   - Review NIRSA’s content and presenter expectations
