

Vision

Georgia Tech students and employees will flourish and be fulfilled individually and within our communities where we live, learn, work, and play.

Mission

*Promote, nurture, and enrich a culture of health, well-being, and caring with the Georgia Tech community by:
Focusing on the harmony of our emotional, professional, social, physical, and spiritual dimensions of wellness, and
Synergizing the implementation of personal, interpersonal, organizational, environmental, and policy levels of behavior change.*
